Burlington, Vt., March 20, 1861.

To Friends, Chas. Backman & Co., Vt.

gentlemen.—We will call your attention to the fact, to inform you that we have repeatedly made an examination of Brandy, Whisky, Gin and Wines, with whom the Chittenden County Agency at Burlington has been mainly supplied from your House for the past three years, also specimens from other Agencies in the State, prepared from you.

We have found them invariably of full strength and uniform purity and quality—indeed every respectable specimen from other sources. For many years past they have fulfilled our expectations and received our unqualified approbation, and without hesitation we confidently recommend them to all who wish to supply themselves with Liquors upon which they can rely for purity and strength.
